DECISION ON PETITION

This is a decision on the petition under the unintentional provisions of 37 CFR 1.137(b), filed September 4, 2008, to revive the above-identified application.

It is not apparent whether the statement of unintentional delay was signed by a person who would have been in a position of knowing that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to 37 CFR 1.137(b) was unintentional. Nevertheless, in accordance with 37 CFR 10.18, the statement is accepted as constituting a certification of unintentional delay. However, in the event that petitioner has no knowledge that the delay was unintentional, petitioner must make such an inquiry to ascertain that, in fact, the delay was unintentional. If petitioner discovers that the delay was intentional, petitioner must so notify the Office.

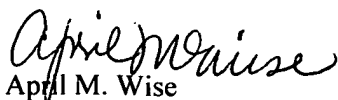

This application became abandoned for failure to timely pay the issue and publication fees on or before August 29, 2008, as required by the Notice of Allowance and Fee(s) Due, mailed May 29, 2008. Accordingly, the date of abandonment of this application is August 30, 2008.

The petition satisfies the requirements of 37 CFR 1.137(b) in that petitioner has supplied (1) the reply in the form of payment of the issue fee of \$1440 and the publication fee of \$300, (2) the petition fee of \$1540; and (3) a proper statement of unintentional delay.

The petition is **GRANTED**.

Telephone inquiries concerning this decision should be directed to undersigned at (571) 272-1642.

This application is being referred to the Office of Data Management for processing into a patent.
